REFERENCE : PROFESSIONAL RECOMMENDATION FOR  
NEVADA TAP MASTER INC.

To Whom it May Concern:

This letter is written to provide a recommendation for  
Nevada Tap Master, Inc.

Nevada Tap Master had been doing work for CET since 2005. We are  
very pleased with their work, professionalism and support that they  
have provided at all times to Planet Hollywood.

They have earned my highest recommendation for their commitment  
to provide the ultimate service in a timely manner.

Sincerely,

GARY McCARTIN  
Facilities Manager
