Stan McCallister,

Good morning,

We had an emergency call on Friday night at Imperial Palace.

I had called Dave Hardin & he answered immediately & said he would be right over!

Dave & I have a strong relationship in doing business in this fast pace town,

where it never shuts down.

Dave is a very loyal employee & Tap Master is lucky to have him as an employee!

Quality Mechanical has been in town since 1971!

Dave Hardin & Tap Master will always be our sub,

And I look forward to more ventures!

Thanks!

Darin Williams
